Diploma in Theology

COURSE OVERVIEW

The Diploma in Theology provides a solid introduction to the study of Christian faith, Scripture, history and theology. Students explore key theological disciplines including Biblical Studies and Christian Thought and History, developing a deeper understanding of Christian beliefs and their relevance in today's world.

Delivered through ALC's flexible distributed learning model, this course allows students to engage with lecturers and fellow students online while balancing study with work, ministry and family commitments.

COURSE OUTCOMES

Graduates of the Diploma in Theology develop foundational skills for the critical study of Christian texts and traditions.

Students learn to:

- Articulate theological and biblical knowledge with confidence
- Analyse and communicate theological ideas effectively
- Apply theological understanding to contemporary contexts
- Reflect thoughtfully on faith, ministry and service
- Engage with others through informed theological conversation

WHO IS THIS COURSE FOR?

The Diploma in Theology is ideal for anyone seeking a deeper understanding of the Christian faith and its foundations.

This course may suit:

- Church members wanting to grow in biblical and theological knowledge
- Ministry volunteers and leaders
- Christians considering future ministry or church leadership
- Students seeking a pathway into further theological study
- Anyone interested in exploring Christian faith and thought in greater depth
