

# Providing certified documentary evidence

## Course application supporting documentation

When you apply to study at ALC, you need to obtain and submit all supporting documentary evidence for all course prerequisites. This may include (but is not limited to) certified evidence of identification, awards, certificates, qualifications or English language proficiency achievements claimed in your application.

### How to get a document certified

- Make a photocopy of the original document.
- Take **the original and the copy** to a person authorised to witness statutory declarations in your country, state or territory.
- The person must make the following written statement on every page:

**I have sighted the original document and certify this to be a true copy of the original.**

- The person must then sign each statement and provide their designation (e.g. Pharmacist), taking care that the certification does not obscure any of the text on the copy.

Applicants who obtain certified documentary evidence while interstate or overseas must have their documents certified by a person authorised to do so in that state, territory or country.
